Dear Mr. Peralta:

I am pleased to support the Chicano Park Steering Committee's proposal of the establishment of a memorial monument to be built in Chicano Park in honor of those service men and women of Logan Heights who made the ultimate sacrifice.

Logan Height's Veterans have defended this great nation's honor throughout the 20<sup>th</sup> and 21<sup>st</sup> century, and they continue to serve with dedication as both officers and enlisted personnel. Logan Heights Veterans are deserving of recognition for their commitment to our nation, and to pay tribute for their service and ultimate sacrifice, the Logan Heights Veterans Memorial Committee would like to build a Memorial Monument in Chicane Park where the community can go pay their respects and reflect upon the contributions of our fallen heroes.

I believe that this memorial will serve as an important symbol of the sacrifice made by our hometown service men and women dating back to World War I, and your favorable consideration of this request would be greatly appreciated. Please add my name to the list of those who support this proposal. Thank you.

Sincerely,

A handwritten signature in cursive script that reads "Mary Salas".
